TRAINER OF THE YEAR APPLICATION

This award is presented on an annual basis to the Trainer that has shown not only “First-Aid knowledge” but “people skills”. This Trainer will have demonstrated respect and leadership towards children, adults of the game, be it parents, co-coaches, or officials. This award signifies outstanding achievement in the area of safety and risk management and contribution to the game of Hockey, as well as the Ontario Hockey Association.

Therefore our Trainers and in particular our Trainer-of-the-Year, would have demonstrated patience in allowing for individual differences. They would be a role model on and off the ice while motivating & encouraging the growth of all participants.

Criteria that should be considered (but not limited to):

- Represents values, goals and objectives of the OHA
- Continuously shows respect for players, officials, opponents and parents
- Treats everyone fairly and promotes fair play
- Demonstrates concern for all-round health and well being of the athletes
- Applies relevant training theory
- Demonstrates a proven capacity to improve the team’s or athlete’s performance
